MEMORANDUM FOR: Director of Strategic Research
Director of Weapons Intelligence
Director of Scientific Intelligence
Director of Development and Engineering
Director of Research and Development
Director of ELINT

SUBJECT : Planning for Targeting Location
Conference at NSA

1. Attached is a copy of General Allen's invitation to the Agency to attend a targeting location conference at NSA during the week of 26 April 1976.

2. Through some misadventure, the October memorandum did not surface in Headquarters until last Thursday. In any event, this is to inform you that [redacted], OSR, [redacted] has been designated by the CIA SIGINT Officer to serve as the point of contact with NSA. As coordinator he will provide NSA with information on CIA's participation.

3. Upon review of this memorandum and the topics planned as briefings, would you please provide [redacted] with a) names, biographical data and clearances of your officers who would be interested in attending any of the tentatively scheduled sessions, and b) abstracts of any papers which you might wish to present to the conference.

[redacted] of NSA has been informed of the CIA point of contact.
